 TO HOSPITAL OR ATTENDING PHYSICIAN: The law requires that the death certificate be retained by the hospital or attending physician.  
 TO FUNERAL DIRECTOR: After this certificate has been signed by the attending physician and completely filled in by the registrars, it should be detached for use as the burial transit permit. Then please remove carbonpapers. Pages 1 and 2 should be filed in the death certificate file.  
 IMPORTANT: If item 21 is marked or item 18 shows any injury, or other traumatic event, the medical examiner must be notified at once.
